

# FINANCIAL TEAR SHEET

## Corporate Profile

Jounce Therapeutics is a clinical stage immuno-oncology company dedicated to transforming the treatment of cancer. The company is discovering and developing novel cancer immunotherapies designed to harness the immune system to attack tumors and provide long-lasting benefits to patients. Jounce integrates translational science insights, including identification of related biomarkers designed to match the right immunotherapy to the right patients. The company is advancing programs that leverage contributions from its world-class founders, as well as knowledge acquired from Jounce’s Translational Science Platform, to create a sustainable “discovery to human proof-of-concept” product engine with the potential to drive significantly more long-lasting responses to treatment.
