

## JOUNCE THERAPEUTICS, INC.

### Science and Technology Committee Charter

#### I. General Statement of Purpose

The purpose of the Science and Technology Committee (the “Committee”) of the Board of Directors (the “Board”) of Jounce Therapeutics, Inc. (the “Company”) is to (i) assist the Board’s oversight and evaluation of the Company’s research and development activities, and (ii) provide the Board a detailed perspective on research and development efforts.

#### II. Science and Technology Committee Composition

- A. Number. The Committee shall consist of such number of directors as the Board shall from time to time determine.
- B. Chair. Unless the Board elects a chair of the Committee, the Committee shall elect a chair by majority vote.
- C. Compensation. The compensation of the Committee members shall be as determined by the Board.
- D. Selection and Removal. Members of the Committee shall be appointed by the Board, upon the recommendation of the Nominating and Corporate Governance Committee. The Board may remove members of the Committee from such Committee, with or without cause.

#### III. Meetings

The Committee shall meet from time to time as it deems necessary in order to perform its responsibilities. Such meetings may be held telephonically or in person as the Committee deems appropriate. A majority of the members of the Committee shall constitute a quorum for purposes of holding a meeting and the Committee may act by a vote of a majority of members present at such meeting. The Committee shall keep minutes of its meetings in a form that is shall deem appropriate and report the same to the Board upon request. In lieu of a meeting, the Committee may act by unanimous written consent.

#### IV. Science and Technology Committee Activities

- A. Research and Development Activities. To fulfill its responsibilities and duties, the Committee shall have the power to:
  - i. Review, evaluate and advise the Board and management regarding the long-term strategic goals and objectives and the quality and direction of the Company’s research and development programs;
  - ii. Serve as a sounding board for the Company’s research organization on research and development matters;
  - iii. Regularly review the Company’s research and development pipeline;

- iv. Provide recommendations regarding discovery and development strategies to align with the business needs of the Company and advise the Board and management on scientific aspects of business development transactions;
  - v. Identify and discuss with the Board emerging scientific and clinical issues and trends; and
  - vi. Assist the Board with its oversight responsibility for risk management in areas affecting the Company's research and development activities.
- B. Review of Charter. The Committee shall, from time to time as it deems appropriate, review and reassess the adequacy of this Charter and recommend any proposed changes to the Board for approval.
- C. Performance Evaluation of the Committee. The Committee shall periodically evaluate its own performance.

V. **General**

- A. Subcommittees. The Committee may form and delegate authority to one or more subcommittees (including a subcommittee of a single member), as it deems appropriate from time to time under the circumstances.
- B. Independent Advisors. The Committee shall have the authority to engage such external advisors as it deems necessary or appropriate to carry out its responsibilities.
- C. Company Participation. The Committee from time to time may request any officer, employee or advisor of the Company to meet with the Committee or any advisors engaged by the Committee.
- D. Reliance. In carrying out its responsibilities, the Committee shall be entitled to rely upon advice and information that it receives in its discussions and communications with management and such experts, advisors and professionals with whom the Committee may consult.
- E. Additional Functions. The Committee may perform such other functions as may be requested by the Board from time to time.

Adopted September 21, 2018.
